SWANK TALK

From My Lips to Yours!

Remember that time you stuck your dick in the jar of Noxzema and then went into the kitchen and stuck your cream covered dick-head into the metal ashtray filled with your grandfather's cigar ashes and then had your-self teleported to your girlfriend's house and ran around her mother's kitchen thinking that it was so weird that the walls were painted bright orange... almost like McDonalds? Do you remember that? C'mon it's happened to all guys, right? I thought so. Now let's share this issue of ***SWANK*** and share that, too.

MARY'S MAILBOXXX

Sealed With A Nasty Kiss!

SWANK time! SWANK time! SWANNNNNNNK time! Get my drift? Heehee! Well, in my life, it's always SWANK time! Time for hot girls! Time for hot sex! Time for XXX stuff of all kinds! That's what SWANK is about every month. We are not a mag to bullshit our readers, so you can count on us! Also, to be honest with you, I don't know what I would do without SWANK! Over these many years, we have gotten together each month to "talk," and with that, I've come to see everyone here as part of my "family"—the SWANK family, that is! Maybe I should even change my name to Mary SWANK? Heehee! That would be a hoot! Speaking of "hoots"—our first letter of the month is about just that—hooters! So, without further ado, let's do it!

The man is usually the pursuer, and the woman is the pursued...

Boob Wants Boobs!

Hi, everyone! My name is Frank, and I'm a boobaholic! I've been obsessed with tits my whole life! All I want to do all day and night is suck on them, squeeze them, and then shoot my load all over them! I can't help myself, Mary! I just can't! What can I do? **Frank T., Provo, Utah**

MARY: *Wow, Frank, that's quite a situation! As a girl with giant gazongas, there's nothing I personally like better then a certified boob man! Also, when it comes to guys and tits, it usually boils down to dudes that really love them, and others that can either take them or leave them—there's not often a lot of so-called, "in-between." So, you obviously are of the "love 'em" variety. What's for you to do, you ask? I would suggest hooking up with as many hooters as you can! What's the harm? Most women like to have their breasts sucked, licked, nibbled, rubbed, fucked, and so on—it's really a match made in heaven! You go for it, Frank! No downside here!*

$$$ Millionaire Porn Stars?

I hope you can help me out here, Mary. I watch a lot of pornos, you know, to beat off to, but I also have an interest in getting my girlfriend into the XXX biz. I figure she can make some good money to support us because I lost my job a year ago, and I've basically given up looking. So, what's the deal here? I've read that some porn stars make like, a zillion dollars a year. Is this true? If it is, I'm signing my bitch up first thing in the a.m! **Darryl B., Richmond, Virginia**

MARY: *From your mouth—to you-know-who's ears, Darryl! Unfortunately, that is* not *the case! I want to make it super-clear from the get-go so no one is quitting their jobs, or moving to Los Angeles with their last red cent expecting to strike it rich. No way! However, you asked, so I will tell you. There was a time, not too long ago, when virtually all girls in porn made major bank. Major—to become millionaires—but X-chicks could easily make 1,000 dollars or more a day, and work like, 20-25 days a month, so you do the math! However, that was then, and this is now—and these days, many women doing hardcore scenes are lucky to make a few thousand a month. Why? With the Internet, and all the free XXX material available, not to mention the flood of women from around the world willing to do pornos, and the overall state of the economy—has had X-outfits cut back on production and lower prices. Can a hot babe still make good money? Yes, especially if she knows how to fuck, and is willing to do it all—including anal. If you don't do anal, you are going to missing out on a lot of jobs. So, that's the skinny, dude. If you want to take a shot with your babe, go for it, but don't start buying that new Bentley just yet!*

Wants to Get Sucked—Badly!

Suck me! Suck me! Somebody suck me! **Phil W., Wharton, Pennsylvania**

MARY: *Okay, Phil! Stay calm! Stay calm! Any takers out there in* ***SWANK****land?*

Big Fat Sex?

Mary, do you think there's anything wrong with being into big fat babes? I've always been turned on by: Fatsos, chubbos, lardos and humongos—the bigger the better! My friends think I am a moron, but I am just addicted to flab. Should I seek help? **Kyle B., Brooklyn, New York**

MARY: *Nope, Kyle, just find as many girls as you can that love to eat! Men that are into "plus-sized women" are known as "chubby chasers," and they just love to get it on with massive babes! Who knows why, but if you dig it, you dig it, so don't worry about what your so-called "friends" think. If you like over-sized chicks, then that's that, Kyle! There are huge retundos located in every city in the nation. Check out different dance parties and expos that cater to various plumpers. Happy hunting!*

Girl Reader Who Likes Girls!

Good day, Mary! my name is Janice, and I am one of your female readers. I am a dyke, and I read ***SWANK*** to get off on the hot girls you have in your pictorials. I don't know how many of your readers are indeed lesbians like me, but if you want my input, please feature lots more girls, girls, girls! I masturbate to ***SWANK*** all the time because of them. Thanks! **Janice U., Providence, Rhode Island**

MARY: *I* love *our women readers of* ***SWANK!*** *Really, I do! Of course, the vast majority of our readers are single men, and we have couples that are into us as well, but single women—while making up part of our readership—is a small part. Yet, we want more, more, more! Why not? We do lots of single girl layouts, girl/girl layouts—and lots of other stuff with no cock in sight! So, let's hear more from you, Janice, and your rug-munching buds (and don't forget, I have sucked loads of slit in lots of bi-XXX fuck flicks myself!). We want to please all sexual types here at* ***SWANK****, so cum one—cum all!*

Most women like to have their breasts sucked, fucked, and so on...

Paying For Sex, Or Paying For Sex?—That Is The Question.

I am of the belief that one way or another, all men "pay" women for sex. Either they straight up pay through a hooker, or give them cash because they are friends, girlfriends, or wives. Is there any free pussy in the world? You tell us, Mary—am I right, or is there actually some way for men to get a hot girl, at no cost? **Harold P., Madison, New Jersey**

MARY: *Ahhhh, the old "paying for pussy" question. It's asked many, many times, but, the answers can be confusing. Let's go at it again, shall we class? Pussy can be elusive for some men. There is no question that the sexual dynamic between the sexes is that the man is usually the pursuer, and the woman is the pursued. So, it didn't take long for women to realize that men were after something—the same thing, and we might as well, get "something" for it! So, right or wrong, that's how it goes down. For professional prostitutes, the situation is clear. However, after that, well, it can get muddy. Some girls will only give it up to guys with the money to take them out and treat them well; while others want to be showered with presents. Still, some women want to have a good home and security provided. So, yeah, you can call it anything you want, but that's money being spent lots of different ways. Can you get laid for free? Sure. Girls do get horny and fuck, they get drunk and fuck, and they do fuck guys because they are cute, have long hair, are in a rock band—or something like that. So, it's a mixed bag, Harold, and there's no one clear route to hot quim. However, money helps, just like it helps with just about everything else in life!*

"I love sex! I need sex! So, let's have lots of it, and not stop!"

This Month's Love Ranch Lover...
Misty Mason!

Growing up in Miami, Florida was a crazy thing. As a child, I was very curious about being a "grown up." With that said, I didn't like kids my own age, and spent most of my time playing by myself, which helped my imagination soar! I would daydream about being an adult and doing what I wanted—when I wanted. Man, I couldn't have grown up fast enough!

My mother worked long hours, so that left me with a lot of time to myself. I remember watching talk shows and being very amused by what I saw. One day, on a special talk show the episode was: "The Exciting World of Adult Entertainment." When I saw the beautiful women dancing around in sexy outfits I was in awe, and I wanted to look like them and be as free as them, too.

As a teenager, I was picked on a lot for not looking like the other girls in my high school, but then again, these women I admired looked so different from any women I've ever seen, and I thought they were insanely beautiful. Immediately, they became my idols. As years passed, I became more and more anxious to start my career in exotic dancing.

Finally, the day came—right on my 18th birthday. My present to myself was my going to the lingerie store and buying a cute panty and bra set and a pair of stilettos to match. I was so excited I could hardly contain myself. That night, a friend of mine took me to one of Miami's most popular adult clubs where I auditioned as a dancer. Luckily, with my gyrating moves and seductive gaze, I was hired with no problem, and soon, I was escorted to the dressing room to begin my show in front of a real live audience.

When I entered the room, I felt nervous that people were going to watch me dance for real. I found a small place in the corner of the room and started to make myself up to what I thought was presentable. When I was done, I walked out onto the floor and my head was spinning. Just when I was about to change

my mind about the whole thing, a gentleman approached me. "It's your first day isn't it?" He said. I smiled and he asked me to sit with him. That man was my lifesaver, as he showed me what men liked and didn't like when women dance for them. He also told me what to say and what not to say in order to increase my tips. Needless to say, I was very thankful.

For the next few months, after I got my feet wet, I enjoyed my new surroundings more and more. It didn't take long for my grinding all over strange men to become an obsession of mine. At times, I would have to excuse myself from the floor and masturbate in the women's bathroom because it turned me on so much. After a while, I explored other clubs and other ways to make money. I would hear girls talking about the Champagne Room, and the opportunities that would go on in there. Some girl spoke about moonlighting on their days off, and also after work. I had received offers from customers to meet them privately off-site, but I was always so nervous since I didn't know them from outside of the clubs, that I never did it. One night, I was entertaining a gentleman, and it was obvious that we were both very turned on. As I was on top of him giving him a lap dance, he whispered in my ear that he wanted to go into the Champagne Room to "Have some more fun." I was so horny I couldn't say no. So, that started my moonlighting experience, and I have to say that I enjoyed it more than dancing. It didn't take long for my time in the Champagne Room to turn into my new addiction.

One night, I was talking to a friend of mine, and she was telling me how she was planning a trip to California to star in some adult XXX films. Now, I've watched a lot of porn but I had never thought of actually staring in one. She explained that she had found a porn agent and they had several shoots lined up for her. I started to think about it, and the more I thought about it, the more I wanted to do it. I asked my friend for the agent's information and gave him a call about a possible acting gig. Within the next month, I found myself on a plane to California. I was more popular than I expected, because for the next few months I was booked solid. After my first few film gigs, I knew I would never dance again, or at least not full-time. Porn was my new love—and I was not letting go.

No fantasy was to far-fetched for me! I enjoyed it all

I made the bold move and soon became a California resident, continuing my newfound career as an adult film actress. Every shoot was so exciting for me, and just knowing that I was going to be able to have sex on film in order to get people off was such a turn on, that I swear, my panties were perpetually wet—even before my scene. Simply put, I just couldn't get enough. It got to the point where some of the male talent and I had such a connection that we would forget that the cameras were there, and just enjoy each other to the fullest.

Some of the big XXX fuck flicks I've starred (not to mention my proud achievements in this fabulous industry) include: *Misty Beethovan*, *Misty's Playhouse*, *Chocolate Cream Pie*, and *American Bukkake 32*—along with more than 100 others. That's right, *more than* 100!

As time passed, I became close to a lot of women in the industry, which was an added bonus to my career. Some of the women were featured in strip clubs, while some were even moonlighting for high rollers in Las Vegas. However, one thing that always stood out over everything else was that I would hear of girls escaping the fast life of Los Angeles and going to a quiet town in Nevada to a place called the Love Ranch. The girls would always say that it was a place where you could be yourself and not worry about a penalty.

I wasn't sure about it because I was still enjoying the porn industry, but I'm not going to lie, I did have the idea of joining a legal brothel in the back of my head.

A few years went by, and the Love Ranch stayed in my mind still when I decided to take a break from making films. I started to miss moonlighting, but was still a little skeptical. Either way, I decided it was time for a change and contacted the Love Ranch with a plan to give it a try. When I arrived at The Ranch, the first thing I realized was all the beautiful women. I made arrangements to stay the night and while I was there, I must have fantasized about at least half of them as I masturbated in my room for hours before going to sleep.

When it came time for me to get into the swing of things, I was so anxious. I couldn't wait for my first "party." Luckily, I didn't have to wait that long. It was the third lineup of my shift, and I was thrilled that I was chosen. I took the gentleman by the hand and led him to my room. We worked out the kinks and

ISN'T IT SILLY THAT US GIRLS TAKE SO MUCH TIME GETTING DRESSED FOR A GUY WHEN GUYS JUST WANT TO GET US NAKED ANYWAY?
I KNOW. IT'S LIKE, WHY DO MEN EVEN HAVE EARS WHEN ALL THEY WANT TO DO IS STUFF THEIR COCK IN MY MOUTH AND MISS OUT ON EXCITING CONVERSATION ABOUT MY BORING CHILDHOOD, GUYS AT WORK, OR SHOPPING WITH MY MOM?!

then started to relax. I could tell he was a very sensual person, so we started off by some soft kisses and a lot of foreplay. We enjoyed each other until we exploded in each other's arms. From that moment on, I knew that I had found my new home. With every second that I stayed in the "Sex House," my hunger for sex grew more intense. As ironic as it sounds, it soon became my fantasy to make other people's fantasies come true. With every lineup and e bell that rang through the house, I felt a fire through my body. Sometimes when it was slow, us girls would pile in to each other's rooms and talk about our deepest fantasies or our wildest sexual experiences. We even would test out the latest sex toys to see how powerful of an orgasm we could have. It was like a kinky sleepover—but every single night! The Love Ranch was more fun than I could have ever imagined. I found that the girls were so open and free about their sexuality that it made me more comfortable than I could've ever imagined. It made me feel for the first time that my freakish ways were okay and I shouldn't be ashamed of my freedom. When I was with men, I found myself teaching them new experiences that they had never thought about before, and will hopefully use the lessons I taught them on their future gals. Also, the men who had found it difficult to be intimate with a woman, had little to no problems being close and open with me because there was no pressure, and I helped them relax. I would take my time to understand every individual and their needs and wants. No fantasy was to far-fetched for me—I enjoyed it all.

In my opinion, the best part of the Love Ranch is that you meet so many different types of people from all walks of life. It makes it a new adventure everyday of the week. There's never two days that are the same. Even the sex was always different and new. Whether it was male or female, I just couldn't get enough. In my years as an exotic dancer—even in the porn industry—I never experienced anything like the Love Ranch. My favorite type of party was when I had the chance to have a girl and a guy at the same time, where we can just enjoy each other completely. It would feel as if we were in our own world and nothing else mattered. A few people know how it feels to be sexually open, to not to hold it back and let your imagination run wild. That is exactly what The Ranch is all about—to be free with no judgments.

I like to think of myself as the total Girlfriend Experience a.k.a: GFE. Time has no meaning. I just want the person I'm with to get lost in the moment—to let loose and feel totally comfortable. I think that not being open to one's sexual needs is a shame. A person is, in a way, depriving oneself of really enjoying life. Us, as humans, have such an advantage to so many experiences we should take advantage of all of them.

I have met men who do not know what to expect when coming to a brothel, and leave so satisfied with the outcome they wonder why they hadn't done it sooner. So, I guess it's safe to say you should just keep a open mind and a hard cock—then just show up at the Love Ranch and ask for Misty Mason—and just let me take it—and you—from there!

Scooby-Doo: A XXX Parody

AVAILABLE FROM:
New Sensations

Tastier than a Scooby snack, America's favorite cartoon capers are back in business in director, Eddie Powell's, sensationally salacious spoof project, Scooby-Doo: A XXX Parody. Chock full of jaw dropping sex, tongue-and-cheek banter, and excellent costuming—expect a hysterically hardcore experience as this wily gang goes in search of goblins that go bump in the night.

In this comedic porn star edition, Shaggy awakens from a crazy night of partying, booze, and babes—to find that his faithful companion, Scooby-Doo, is missing! Rushing home to recap the events of the evening with his trusted team of truth seekers, the group sets out to solve the mystery of Scooby's disappearance. With a dangerous demon hot on their heels—and the gang hot for each other—will the sexy members of Mystery, Inc. be able to solve the crime and bring Scooby safely home? Or will this remain a mystery they cannot solve? You're going to have to pick up the naughty clues I left along the way to find out what happens next!

The movie begins with Shaggy (Chad Alva) entering a spooky mansion to attend a hardcore Halloween party. Traipsing through the webbed hallways and winding staircases, he stumbles upon Lily LeBeau—a gorgeous nymph dressed in a slutty fairy costume. "So, do you want to party with me?" He clumsily sputters, gawking at her impressive set of homegrown hooters. Eager to do away with small talk and get down to business, she responds, "Let's fuck first. We have all night to party." Zoinks!

Like music to his ears, Shaggy tackles Lily against the bed, pulling her soggy panties and stockings around her ankles. Holding her back at the knees, Shaggy sticks his tongue out, and goes in search of buried treasure between her thighs. Greeting his tongue with glossy pussy webs, Lily is already wet and ready to go before Shaggy makes mouth to muff contact! "I've wanted my pussy licked all night," Lily confides, sinking her

gloved arms into the side of his head to better control the movements of his mouth. Gyrating her hips against Shaggy's scruffy chin, Lily gets the thrill and chill she's been craving all evening.

"Well, what's good for the goose is good for the gander," Shaggy ridiculously jokes. From here, he switches places with Lily and jams her full of his mystery meat. Slurping on his cock like she's trying to suck the final contents of her soda pop, Lily is a bona fide natural. Doing her best work when grinding on top in cowgirl position, this is clearly one piece of candy corn that Shaggy won't soon be forgetting!

Later, while the gang tries to retrace Shaggy and Scooby's final moments together—Fred (Michael Vegas) and Daphne (Bree Olson) become heated when hearing the erotic details surrounding Shaggy's flog session with the fairy. "Come on Freddles, let's try to make a baby," Daphne purrs, flashing Fred glimpses of her perfect tits and killer pussy, "But, this time, why don't you stop cumming in my asshole. I don't think that method's working." With the crew furrowing their brow regarding Daphne's obvious idiocy, Fred responds with, "How about I cum in your mouth instead? This way my sperm will go straight to your belly!" Clapping her hands, Daphne agrees, falling to her knees to suck back Fred's balls first! In what becomes one of the hottest blowjobs ever witnessed,

Daphne completely engulfs Fred's frank and beans with such passion that he narrowly escapes popping too soon.

After a few minutes is allotted to help Fred regain his hardcore composure, he continues by folding Daphne in half to attack her hairy hole in doggie position. Bouncing back against his baloney pony like a metal spring, Daphne's ass starts gyrating at a hypnotic pace. Keen on delivering an even sloppier ride, she throws a few fingers up her anus to ensure she's double stuffed—from anus to muff!

SCOOBY-DOO

As Shaggy and Velma (Bobbi Starr) look on in total dismay, the sexy sleuths continue their session. At this point, Daphne has gained complete dominance over the situation, and is taking over in reverse cowgirl position. Playing up to the camera, Daphne squishes her titties together and licks her eraser-thick nipples, while Fred continues to pound her round from underneath. After four more positions and plenty of coverage, Fred makes good on

his promise to Daphne by unloading his baby batter down her throat!

As the morning turns to afternoon, Velma is anxious to dig her claws into Shaggy's stick. After recording a few pages of dialogue, the dynamic duo can't wait to test out the springs on the mattress. Before direction is given, Shaggy is head deep in Velma's coochie. "I've had a secret crush on you for so long," Velma reveals, pulling her legs back even further to allow Shaggy a taste of her tushy. Taking his sweet time, Shaggy samples every facet of Velma's velvet clam, swishing his tongue in and out for good measure. "I could do this all night!" He sighs, moistening his lips with dollops of her foamy pussy froth.

When it's Velma's turn in the hot seat, she plants tender kisses up and down Shaggy's shaft before swallowing his entire set with dynamite deep throat action. Going absolutely bonkers with the sensation of Velma's expert oral, Shaggy grabs onto the sides of the wooden bed for better traction. Swaying his hips from side to side, with

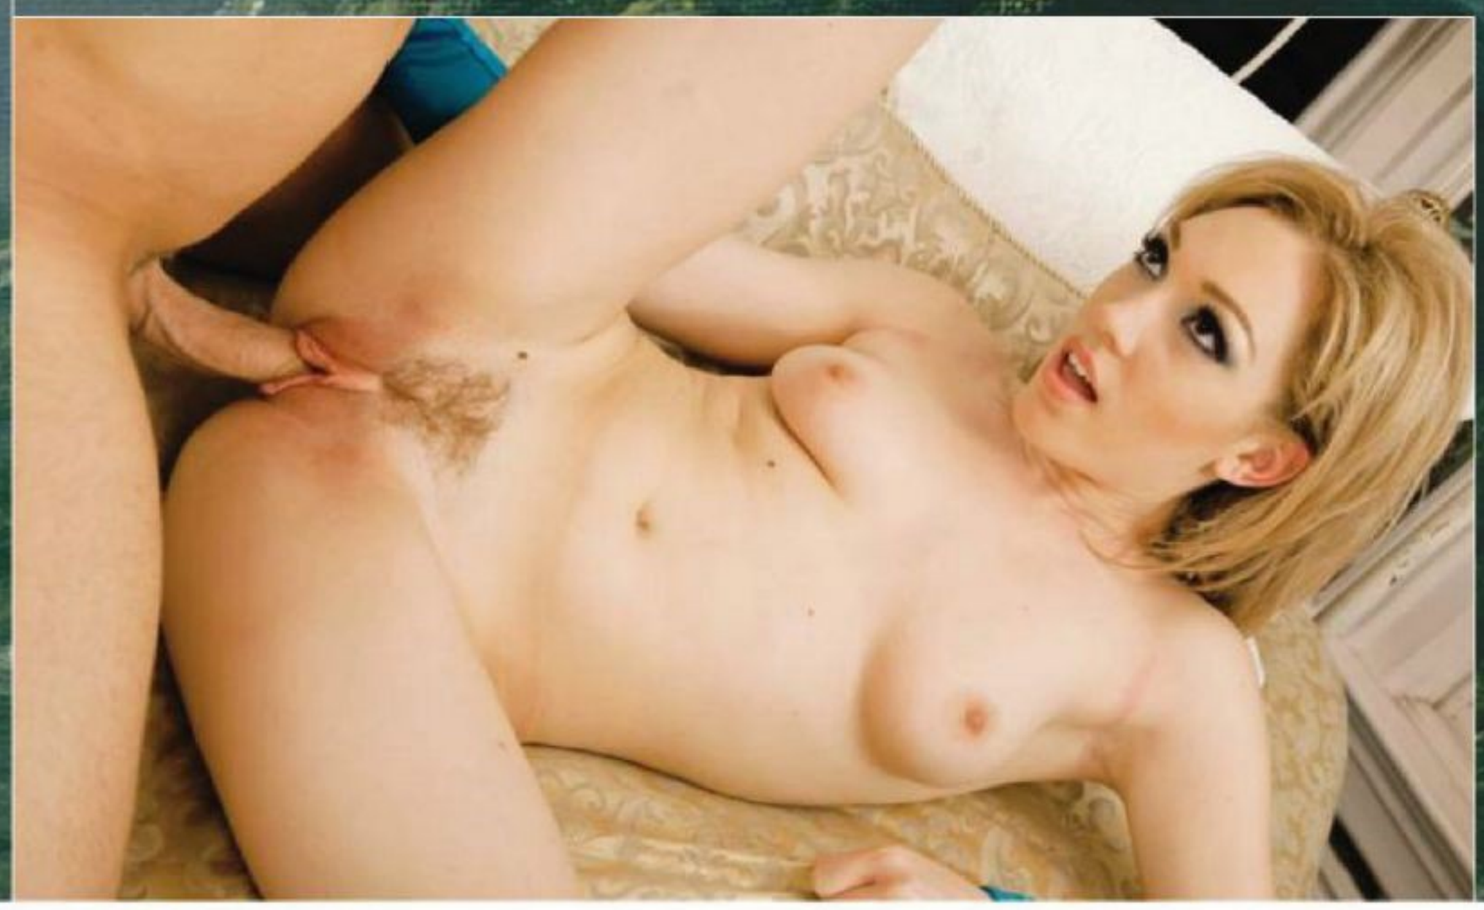
Velma's mouth still attached, Shaggy snarls, "I'm gonna tear you up!"

In time, Shaggy scoots behind Velma into spoon position, holding up her leg so the camera is allowed an awesome view of the hardcore penetration. With their crotches encompassing the entire circumference of the camera, we can see just how masterfully Velma's va-jay-jay takes in Shaggy's fat sausage. "Damn, that's a beautiful woman!" Powell says under his breath. We couldn't agree more!

As the search for Scooby Doo continues, Velma and Daphne become painfully aware that they are being followed by a dastardly demon. "Daphne, let's create a distraction so that Shaggy and Fred can capture the perverted perp!" Not fully understanding the immediacy of the situation, Velma ensures her plan is set into motion by locking lips with Daphne right then and there. "Velma, was that your tongue in my mouth?" Daphne questions, feeling tickled from head-to-toe by her first taste of girl lips. Wanting more action, Daphne dives toward Velma until both bitches land on a nearby bed. With the untamed cat now unleashed, Daphne's desire for kitty proves to be just as lethal as a panther's bite!



Not sure which way to turn or how to fuck Velma first, Daphne rolls on top of Velma's body in the sixty-nine position and sighs, "Let's explore each other at the same time." Being the smartest thing that Daphne's said all day, the girls look dynamite when diving deep inside of each other's Dover sole. With the audible sound of slit sloshing permeating the room, Powell begins sweating and twitching from behind his bank of high-tech monitors. We can't blame him!

SCOOBY-DOO

From here, the ladies proudly deliver an award-worthy lesbian tryst that has both participants foaming at the mouth. They conclude their encounter with pussy grinding so intense, that the noise generated from their pelvic bones becomes louder than any other sound in the mansion. Hot!

Now fully aroused by the girl on girl action just witnessed, Shaggy and Fred finagle their way into an all out Mystery, Inc. orgy! Anxious at another chance for impregnation, Daphne jumps Fred's bones. Demonstrating an amazing blowjob, equally as intense as the one she gifted him before, Daphne is in a class all her own. Not to be outdone, Velma steps up her game to unleash a lethal dose of mouth fucking across Shaggy's veiny stroker.

Not able to fill up on one bone alone, Daphne snaps Shaggy's sword from Velma's lips, once her erotic appetite begins to escalate. Lying on her back, Daphne successfully siphons both cocks down her throat, causing her legs to fall open. "Stuff me full, boys!" Daphne begs, rolling her tongue around both helmet heads. Presented with another opportunity to indulge in Daphne's deep dish pizza, Velma wedges her tongue inside of her meat curtains for another slice of homemade pie. "Ga-lee Daphne, your pussy's out of this world!" Velma compliments, ascending from between Daphne's legs with a sticky snail trail smeared across her eyeglasses!

Never having had the opportunity to dick Daphne, Shaggy pulls her to the corner of the bed, arranging her on his lap in reverse cowgirl position. Sinking the heels of her pink boots into the bedding, Daphne barrels down, thoroughly enjoying Shaggy's fresh meat. Rushing to her side, Velma's rides out Fred's cock, kissing Daphne's lips between thrusts. After plenty more positions and partner swapping, the men pull out and spray their mystery muck across the pair of sexy sleuths.

When finished, the fabulous foursome are greeted by the police. Here, they are congratulated on helping them capture a devious bandit that has been hiding out in the mansion. Just then the phone rings, Shaggy answers, "How you doing old buddy, old pal?!" And just like that, Scooby's mystery is solved, and his whereabouts are discovered.

Ending in a way that is entirely reminiscent of the original cartoon, including the popular catch phrase, 'I would have gotten away with it, if it wasn't for these meddling kids!' Director, Eddie Powell, doesn't miss a beat. Instead, he goes forth to deliver an outstanding parody project that fans will undoubtedly fall in love with. With an all-star cast, and action this hot, we'll all be lost in a deserved chant of, "Scooby Dooby Do-Me!" **S**

PORNSTAR INTERVIEW

Throwin' Down & Dirty!

Canadian native of Punjabi descent, Sunny Leone's career spans from being the 2003's *Penthouse* "Pet of the Year"—to crossing over and sharing the big screen with such Hollywood players as Luke Wilson and Giovanni Ribisi in the 2010 adult industry-based drama, *Middle Men.* In between blue and mainstream, Sunny has starred in—not to mention directed—a slew of top selling XXX releases as an independent starlet, even during her time as a Vivid contract girl. Most recently, however, she's garnered more respect in the jizz biz with her own production company, SunLust Pictures.

SUNNY LEONE

Interview By Mos Donny

***SWANK:** In the five short years you've been in porn, you've added director to your resume, and also created your own production company. Was all of this growth in your plans when you started, or did your career just take on a life of its own?*

Sunny: It took on a life of its own. I have been in the adult industry shooting photos since 2001. Each year changes so much, so I've come to believe in just doing what I think is right each day. You never know what's going to happen tomorrow, so to plan things would limit my career.

***SWANK:** When you launched SunLust Pictures, what was your vision for the kind of adult movies you wanted to make?*

Sunny: My vision was simple. I wanted to shoot movies that I thought were sexy, and hopefully people would like. I am able to create anything that I want now. Also, having a partner (Ariel King) to bounce ideas off isn't bad either. We both have the same vision—whatever it may be at the moment.

I approach the scene with no plans, but to have a great time fucking.

***SWANK:** You have always been very selective with the men you share sex scenes with. Do you think having an emotional attachment to your scene partner makes you a better sex performer?*

Sunny: Each performer is different, but I do believe in the attachment. To me, it's not just sex; it's about loving the act of sex and how it makes you feel. We live in a world where you have to be very careful with who you have sex with.

***SWANK:** Have you always been a "one man woman" even in your life off camera?*

Sunny: Yes. I know it sucks for people, but maybe I will appeal to all the couples out there on top of single men and women. I love having sex, and whether I am with someone or not, you will know I love sex in every scene I do.

***SWANK:** Of course, your girl/girl scenes are renowned as well. If you had to make a list, which three pussies have you most enjoyed eating on camera?*

Sunny: Celeste Star, Tori Black, and Jana Cova.

***SWANK:** Turning it around—what female lips and tongue have made you cum the hardest on screen?*

Sunny: [Laughs] The same three. I was so infatuated with them that they drove me nuts.

SWANK: ***In* Gia: Portrait of a Pornstar, *you really put your acting chops to the test. Does having a large "acting" element in a role give you an extra sense of fulfillment with the finished product?***

Sunny: I was a part of every process in this movie. It was amazing to see the finished product. I was so proud. It wasn't just the acting that made me happy, it was that we created something exactly the way I envisioned it.

SWANK: ***You are one of a small list of major adult stars who has not completely embraced the porn parody boom. What are your feelings on the parody genre?***

Sunny: I was in a parody this year *(Not Charlie's Angels XXX)* and it was fun. The reason I am not in more is because my company doesn't shoot it. I also don't want to shoot boy/girl for any other company but my own. It's not worth it for me to compete with my own product.

SWANK: ***One of my favorite scenes of all time is your squirting screw in* Sunny Loves Cher. *Some stars I've interviewed say that squirting enhances the orgasm sensation. Others say it detracts from the pleasure. How does squirting affect your sexual experience?***

Sunny: It was great! My squirting scene was real. I had a real orgasm, and had no idea I was going to cum so hard.

SWANK: ***Your masturbation scenes in* Sunny Loves HD Porn 1 and 2 *are off the charts! When you shoot solo sex scenes, do you stay focused on the shooting, or do you get lost in a particular fantasy?***

I like being dominated, and then I love dominating and taking charge as well.

Sunny: I believe it's both. I know the camera is there, but I am completely focused on myself and making myself cum. Who wouldn't? [Laughs] I think about all sorts of things: Sex, sucking cock, someone eating my pussy—and the cameraman himself. If the cameraman is hot, then it's so easy to get off.

SWANK: ***I saw an ad for a Sunny Leone Pocket Pal Vagina online. Before I commit to buying this, can you tell me if you are behind the product and if the toy gets your seal of approval?***
Sunny: Yes, it does. You can see me getting molded on my site, *sunnyleone.com.* It was a lot of fun. Also, Doc Johnson makes an amazing product. Better than a lot of molded toys that are out there.

SWANK: ***From what I have seen and read about you, you come off like a very "take charge" person. Is that true for you as well in your sex life? Do you always make sure to get what you want and need during sex?***
Sunny: Yes, I am. I like both when it comes to sex. I like being dominated, and then I love dominating and taking charge as well. Well, sometimes you don't have a choice, but good sex is when both partners are satisfied.

SWANK: ***What is it like directing yourself in a sex scene?***
Sunny: I've directed my scenes with the help of another director—actually watching what the camera sees. I do what I want in my movies because it's mine, and I approach the scene with no plans, but to have a great time fucking.

[I am so infatuated with] Celeste Star, Tori Black, and Jana Cova.

SWANK: **Is your favorite sex position off screen the same as your favorite sex position to fuck on camera?**
Sunny: Yes, doggie. I love when a guy takes control and flips me over, pounds my pussy, and makes me take his cock. The last time I had sex; I squirted all over his cock, and that was all because he took control and pounded me.

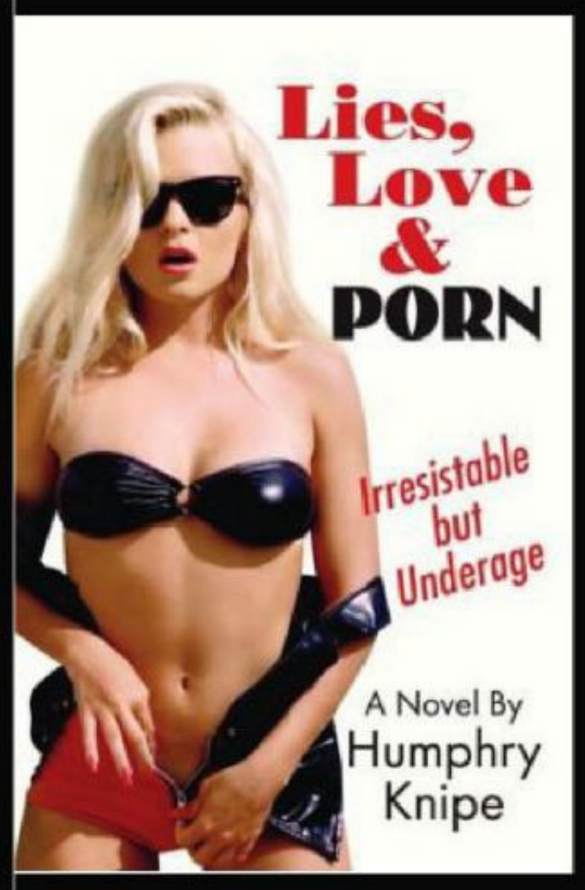
WHO WAS THAT MASKED BABE? WASN'T I MARRIED TO HER?

Okay, now let's talk about sex. Wanna spice up your bedroom? Turn it into a den of fantasy fulfillment? Then tell the little lady to put away the apron, take a shower, wash her hair, dab on some perfume, trim and polish those toenails, and come into the bedroom wearing an Extreme Pure Gold Leopard Eye Mask—carrying its matching whip! If you wanna say "uncle" to your beloved (or maybe "auntie" is more appropriate), this is the get-up she should wear when she confronts your rambunctious boner and feisty masculine behavior in the boudoir. What is it about masks that are so exciting on women of all shapes and sizes? I'd ask Dr. Freud, but he's discredited these days in our politically correct society that frowns on concepts like "Penis Envy" or "Phallic Symbolism." So, all you have to know is that you can find this on page two of the "New Items" section at that famed online emporium of sex paraphernalia, *www.calexotics.com!* Order today, and tell 'em ***SWANK*** sent ya!

NEW NOVEL RELIVES THE FRENZIED ERA OF 1980's PORN



25 years ago this year, the adult entertainment business was upended by scandal and fear when it was revealed that, unbeknownst to the many people who employed her as a model and hardcore actress, superstar, Traci Lords, had been underage when doing her raunchy movies and magazine pictorials. Mountains of movies and photos were destroyed as pornmakers and retailers, to avoid getting arrested, scrambled to comply with laws they had no idea they had broken to avoid getting arrested.

The tabloid saga of Ms. Lords's experience captivated the public, and with her scandalous success she became a well known a movie and tv actress, as well as bestselling autobiography author, actually crossing over into the world of mainstream entertainment.

As he explains in the forward to his novel *Love, Lies, and Porn*, novelist, Humphry Knipe lived through this nightmare personally as the husband of prominent erotic photographer, Suze Randall, as he and his wife had worked on videos and pictorials starring Lords. Like many people duped by Lords's phony IDs, Knipe and Randall feared imprisonment, with the outcome winning in their favor as they escaped jail time. And, once Traci Lords was expunged from their inventory, life seems to have returned somewhat back to normal.

Now, Mr. Knipe has published a fascinating and compellingly readable novel not about Traci Lords, but dealing with a similar situation under the guise of fictional characters. If interested in what it was like to be caught up in the Californian frantic atmosphere of the XXX business in the mid-1980's, read *Love, Lies, and Porn*, available at *amazon.com*. Knipe tells the story of a girl who calls herself Blue, and comes into the lives of PC—a porn queen on the skids, and Damon—a highly educated, witty, alcoholic British smut shooter, who once directed Mick Jagger in a 1960's counterculture movie, but is now making edgy 80's porn in hopes to escape the skin biz to retire to an island. Gorgeous, but restless, Blue arrives in Los Angeles to become a star. She's willing to start with being a porn actress until she starts hearing—especially from Damon—that she has the charisma to go "mainstream." PC becomes her agent, and soon Blue's outrageous attractiveness nets her a lucrative contract for ten hardcore videos from a tight-fisted porn mogul named Aaron Fine. It all ends in scandal and violence in a fast-paced story I couldn't put down, full of richly described characters and exciting dialogue.

Knipe's creativity is captivating throughout the story, as his words flow across the pages. The strongest aspect of his book is how it evokes the porn business in the 80's, depicting it in eerily true-to life form.

Love, Lies, and Porn also skillfully describes the various psychological currents that run through the lives of people who create porn, both then and now such as the hunger for survival, as PC struggles to pay her bills and survive; the hunger to create, as Damon lives on tormented romantic and aesthetic visions of making truly artistic smut with a gorgeous goddess as his muse and lover; and the hunger for success, power and young flesh, as Aaron Fine—the ominously no-nonsense video mogul—keeps his dangerous cool while getting messed over by Blue. Although the book seems rushed once the climax is unveiled, it is an authentic insider's tour of porn life, and I recommend it highly. In its last pages, with Blue lying next to a swimming pool while a deluded ex-boyfriend vengefully stalks her, it even echoes that of F. Scott Fitzgerald's *The Great Gatsby*, the saga of another mysterious American striver for success.

A lot of cool STUFF comes through our offices every month and we feel it's our duty to let you in on some this hip swagg. Whether it's the hottest new sex toy to hit the shelves, the coolest book to hit the stands or the wackiest product to be invented, you'll find your first look at it here!

A TOAST TO CONEY ISLAND!

As I'm writing and polishing my reviews on a rainy New York evening, I'm mellowing out with a 22 ounce bottle of the Coney Island Craft Lager called Albino Python—the name and label design of which are inspired by the raucous atmosphere of the seashore amusement district in Brooklyn, New York, which is most famous these days for its post-modern nostalgic affection for zany sideshows, flashy graphics, outrageous tattoos, and neo-burlesque subculture.

Albino Python has a creamy texture and slightly spiced flavor, with a hearty and relaxing libation. It's got some interesting ingredients like flaked oats malt and the flavor of sweet orange peel. To sum it up: drinking it almost makes me feel like I just got a lap dance from the gal on the label! I kid you not.

The various microbrews under this craft lager umbrella include Coney Island Lager, Mermaid Pilsner, Sword Swallower, Human Blockhead and the seasonal Freaktoberfest (available in September and October). I have to admit that I bought Albino Python largely because I liked the picture of the hot chick with a snake on the label. Call me shallow, but everything starts for me with girls, which has been the joy and curse of my crazy life. Still, the lager is really delicious, and I'm going to have to treat my pals and I to a 12-ounce Coney Variety Pack, which includes four of the brews. Proceeds from sales aid Coney Island USA—a non-profit organization that's helping to conserve the spirit of this legendary honky-tonk district, and a spirit which these days is being sorely challenged by the plans of big-time corporate interests. For info on how to get these beers, go to: *www.shmaltzbrewing.com.*

CONDOMS WITH CLASS

The history of the word "condom" is complex. A French explorer named Dr. Charles Condamine—who found the plant in Ecuador in the 1700's—discovered the properties of the rubber tree. Although eventually, latex (natural rubber) would be used in the production of prophylactics, and Condamine's name would be immortalized in the word "condom—" technology first had to catch up with necessity; so until "rubbers" or "condoms" could be produced feasibly through the advances of science (which didn't happen until the 1800s), men would continue to sheath their shafts in animal guts, as they had going back as far as the ancient Egyptians. That's the kind of protection the legendary lover, Casanova, used as he romped from bed to bed.

Ironically, in French, the word for condom is "préservatif," although there is an actual town called Condom that has a "Museé de Préservatif" (Museum of the Condom) that charts the history of these contraceptive devices. And it is in this town that The Original Condom Company has its headquarters, under the guidance of two French aristocrats— Prince Charles-Emmanuel de Bourbon-Parme, and Count Gil de Bizemont.

These gentlemen oversee the production and distribution of The Original Condoms, which come in luxury cases that look more like deluxe boxes for cufflinks or expensive jewelry. They foresee their product being available not in drugstores or vending machines, but in hotel mini-bars. In short, their mission is to present the condom as a high-class accessory that can be displayed openly and tastefully, like a box of chocolates on a nightstand. Just as once a lady in her exquisite nightie might have reached for a delicious bon-bon to feed to the paramour beside her pillow, she will now be able to reach for an Original Condom to cover her lover's exuberant length, extracting the "French letter" (slang for condom) from its black box adorned with gold lettering and lined with black velvet. Eventually the company also plans to bring out pink boxes with black lace trim, obviously to further entice the ladies' market.

Although it might sound as if you must own a yacht to use such a condom, that's not the case. Given how they really add a touch of sophistication to the pubic proceedings and come in an elegant reusable box, The Original Condoms are affordable at six apiece for 20 dollars. According to Count de Bizemont, "Our condoms are a must-have and truly combine luxury with lifestyle. Condoms protect everyone from disease, ours protect from tackiness." The company is also eco-friendly and will contribute part of their profits to organizations battling HIV-AIDS. For more info, check out their fascinating website at *www.theoriginalcondom.com*. They have a great section about the story of male contraceptives, complete with facts about how the French champion of our American revolution, the Marquis de La Fayette, brought over a supply of sheaths made of sheep guts so that venereal disease wouldn't waylay our troops. I sure don't remember hearing about *that* in high school history! The Marquis was obviously a much bigger hero than our teachers were letting on.

Pizza has been overpriced and *can* be sold much cheaper!

CHOOSE YOUR SIDE IN THE PIZZA WARS!

If there's any good that came out of this damn recession, it's that one can now get a ninety-nine cent slice of pizza in New York! Or, two slices and a soda for two dollars and seventy-five cents. This is significant when you consider the average slice of plain cheese pizza costs two to two dollars and fifty cents in this burg! Remember these dirty cheap prices if visiting the Big Apple any time soon. Maybe this budget idea will spread across the nation? I've already seen it written up nationally on Yahoo.

I believe one of the first places to offer this pizza deal was near the Port Authority Bus Terminal in Midtown. Then, I heard about one in the bohemian East Village area. Soon enough, other places starting springing up around Manhattan. One place just opened up on Broadway between 54th and 55th Street a few blocks from Times Square, and immediately, the higher-priced and long-established pizza parlor across the street started offering their pizza for 75 cents, which only goes to show that pizza has been overpriced this whole time, and *can* be sold much cheaper! Well, for me, I stuck with the 99 cent place. I've been going there for a few weeks, and am loyal to its quality and taste. The crust is crispy, and the cheese and tomato are just right, so check out 99 Cent Fresh Pizza if you're in the neighborhood, and tell em' ***SWANK*** sent ya!

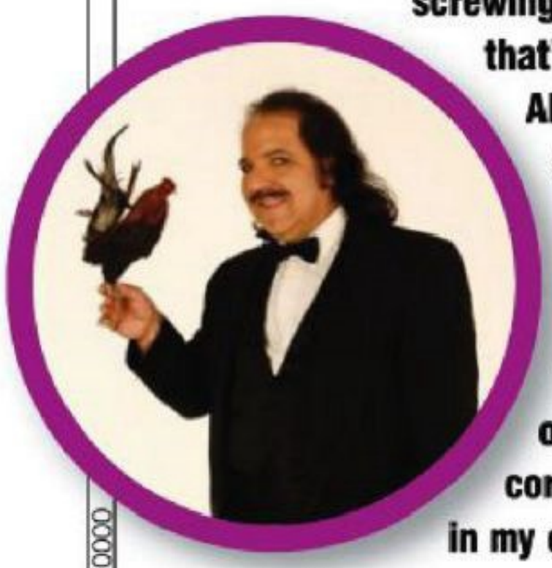
REALITY CHECK

Ron Gives Up The Inside Scoop On The Babes He's Had, And Wishes He Had!

Hey, my men! What's the good word? I'm glad to be back for another month of SWANK'in around with you! I've been up to my usual, screwing around, screwing off, and getting screwed, but that's life—and man, do I love it! All the XXX-citement of being around zillions of hot babes and never knowing what—or who—is going to happen next! So, that's what I want to talk about this column—a few of my most memorable hard-core hits and muff-diving misses in my carnal career!



Beverly Hills

"Some Of The Ones I Liked The XXX Best...And Some Of The Ones That Got Away!"

Text By Ron Jeremy

Photos Courtesy of www.Pinup4U.com

Yes, it's true, although I have probably had sex with over 6,000 women in my life, many—too many—have gotten away! Damn! You want names? I'll give you names! Let's get started: I never had sex with porn star, Alicyn Sterling! Never! Why? I don't know, but I wish I had! It just never happened. Alicyn, if you are out there, please call me! Please! Come out of retirement! I think you are *so* hot! However, so far, we haven't made love on camera or off! Alicyn was this really pretty blonde who made over 100 fuck flicks from 1990 to 1997. Look her up! We were even in some movies together, but always with other sex partners! Ah, so close, yet so far! Next up is Beverly Hills, and I never banged her! Bummer! A mega-busty chick who cranked out some great big-tit tapes for Big Top Video back in the early 80's. Beverly, I want you, badly! Yet another that I never got to know is Angela Summers. Angela was in X for about a decade until 2000, and then retired after making about 150 hardcore scenes. A lot of fans weren't so high on Angela because she really didn't do anal, and so many of her vids were only girl/girl; however, I always thought she was one hot blonde, and we were in some of the same movies, but never the same scene. I've had a lot of fantasies about Angela come to think of it—*a lot*!

Okay! Now I am getting depressed! So, let me switch over to a few porn girls I actually did do—and will remember for all time! How about Christy Canyon? Yeah, that's right

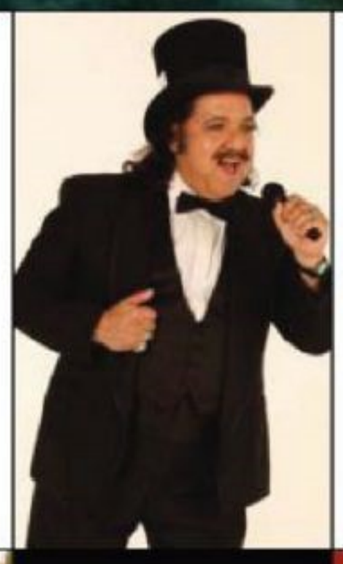
Alicyn Sterling

Alicyn Sterling, if you are out there, please come out of retire-ment!

Angela Summers

Christy Canyon

dudes, eat your hearts out! The tall, busty, 36DD at least—Christy, did close to 300 porners over 20 years in adult-land—and something like, three dozen of them fucking and sucking on yours truly! Check out titles like: *You Make Me Wet*, *Sex Fifth Avenue*, and *Inside Christy Canyon*—and watch us two legends go at it! I loved bangin' those all-natural boobs! Another great pro-sexter I did? How about Chessie Moore? I shagged her in 1990 in adult movies like: *Breast of America*, *Chicks 3*, and *Nightvibes*. What a pair of honkers, too. 44H—and she held them high through something like 275 porners from 1989-2000. I loved hangin' with Chessie! Remember Tera Heart? She was also a good one! So pretty, and so great in the sack! I rammed Tera in 1992 in *French Open* and never again! Waaah! But, I will never forget it! A lot of others nailed her from 1990 to 1999 in something like, 180 X-rated screwers! I'm glad I got her once, but as for all the others? Man, does that make me jealous!



Now, back to some more of my memorable sexual sob stories! How about Bianca Trump? Remember her? I sure do, I remember jerking off to her movies because I never got to do her! Dark hair, big hoots, and man, she could fuck up a storm! Something like 125 hardcore films from 1991-'99, and I would have given an inch off my cock to be in any of them—but she's long gone now! Next one to get away was Syren! Wow, what a Fillipino hottie who did like, a dozen years in adult about 100 scenes before she retired, but I could never score any of that! Same deal with Nikki Dial! Certainly one of the most beautiful women to ever do XXX, Nikki was around from 1991-1996, did some 90 pornos, and then disappeared before I got a crack at her! Oh-oh, I'm getting bummed again, let me get back to mentioning a few more of the ones I did get!

Tiffany Storm, I love you! And for real, I did! I fucked this hot Latina beauty in vids like: *Backdoor Brides 2*, *Weekend*

Syren

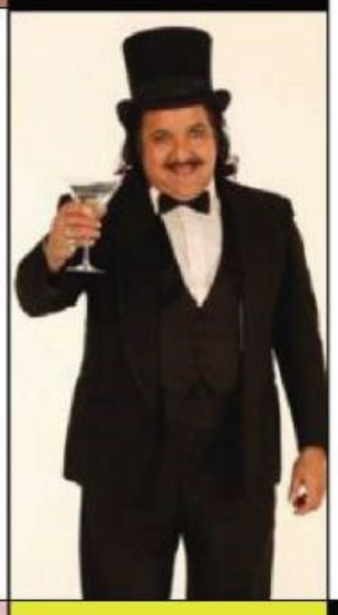
One that got away was Fillipino hottie, Syren!

Tiffany Storm

In Fist Fuckland, and *WPINK TV*. Tiffany was around from 1984-1998, and did about 240 sex movies where I sure loved the ones I did with her. What a tight fuckin' pussy!

How about Lynn LeMay? Well, how about her? The legendary Lynn was in porn making some 340 vids from 1988-on, and still does some adult entertainment these days, and I was privileged to meet her, and do her in a handful of hardcore movies such as *Arabica* and *Pumping Ethel*. Lynn truly loves sex, and that makes it so much better for

Chessie Moore, what a pair of 44H honkers!



the guy—that guy being me! And my last sexual shout-out goes to Montana Gunn, who from 1994-2008, had about one of the most smallest, tightest bodies ever seen in porn during her 190 sex flick career. I only got a piece of the blonde hottie in one movie, *Seymour Butts Musical Tushies*, which also starred Dru Berrymore Pandora, alongside Lynn—in a group grope with some other dudes as well. Every moment was worth it, and I only wish I had worked with her again. I still dream of that body today!

I'd love to end this month's **SWANK** column on such a high note—for me anyway, haha—but I would be less than honest if I didn't share with you one of my greatest sexual bummers in my personal hardcore history in terms of, "What could have been?" I always thought that blonde bombshell, Jill Kelly, was one of the nicest, hottest, prettiest and classiest porn girls I've ever known, yet in her career spanning from 1993-2006, and doing close to 650 porn movies—never once did I ever get to do a sex scene with Jill. Not once! We were always friends, but sexual ships passed in the night, as we were always meaning to do a scene together, constantly saying, "Soon! Soon!" Then, it became too late, and soon, Jill retired from on camera cuddling. Out of my previous lineup, she is the one I would have loved to take the chance to love the most. All right, I know what you mugs are saying, "Ron, you had sex with over 6,000 women, and you are bitching about the few that you didn't get to sleep with? Are you nuts?" And the answer is…Yes! Sex nuts, that is! Always was, and always will be—that's just me! And that's it for this time around! I hope you liked my little stroll down mammary lane! More from me next month, so make sure you don't miss out! Remember, **SWANK** rules!

Drew Barrymore

Drew Barrymore first appeared on the big screen as a five-year-old in the1980 science fiction joint, *Altered States*. Two years later, she was cast in the worldwide phenomenon, *ET*. After some tumultuous teen years highlighted with drug abuse, rehab stays, and a suicide attempt, the granddaughter of John Barrymore returned to acting, performing in films including *Poison Ivy* (1992) and *Wayne's World 2* (1993).

In the mid 1990s, Drew's career began to take off with small parts in huge hits like *Batman Forever* (1995) and *Scream* (1996), while starring in cult classics like *The Wedding Singer* (1998). As Century 21 began, Drew had achieved true "movie star" status starring in such

box office draws as the *Charlie's Angels* franchise and *50 First Dates* (2004). 30 years into her film career, Drew is a major leading lady, pulling her weight in a broad range of roles, from a roller derby queen in *Whip It* (2009)—to a romantic chick flick lead in *Going The Distance* (2010).

Over her three-decade run, Drew has also put her fleshy, round jugs before the camera her fair share. The cream of her nude scene crop begins with her multiple topless spots in *Bad Girls* (1994).

However, if you had to pick just one disc to get off on Ms. B's bos-oms, I'd recommend *Boys On The Side* (1995). Here, you'll find nice, long shots of her splendid boulders in full view on multiple occasions, affording you maximum freeze frame opportunities for goo spewing.

Sophie Monk

This busty, British born/Australian-raised wood maker originally got our stroking hands pumping as a pop star. However, though Sophie has achieved stardom with her music in the UK and Asia, her fame in the States is mostly hitched to her performances in mainstream men's mags such as *STUFF, FHM,* and was even 2008s, *WHO magazine's* "Most Beautiful Person." She's been gracing the silver screen more often, as her acting credits run from appearing in Blink-182's 2004 music video, "Always," as well as an episode in the fourth season of "Entourage." She made her leap to the big screen in 2005 with spoof hit, *Date Movie*, along with a string of straight to video releases. Luckily, Sophie's shining moment arrived when she scored a role in the Adam Sandler box office smash, *Click*

The Hills Run Red

(2006), but the question is: *Where can you go to squeeze out a batch of ball batter to this smokin' babe?* Well, you have two choices: In *Sex and Death 101* (2007), we get to ogle her tits and ass in a well-lit, fully naked scene that comes within inches of showing us full-blown snatch.

Choice number two is *The Hills Run Red* (2009)—a horror flick that presents ample opportunities to jerk off to her ample, naked tits. Sophie airs out her bags in a shower scene, and in a frightening bedroom melee—as well as in a lap dance romp (catch the alternate look at the lap dance scene in the extras menu for better tit exposure). My advice is rent both—take a sick day from work, and crank yourself silly to this sweet Aussie vixen.

In *Sex and Death 101* (2007) we get to ogle her tits and ass in a well-lit, fully naked scene

Toni Collette

Keeping the focus on the Land Down Under—Sydney native, Toni Collette became a celebrity in her homeland in the early 1990s as a comedic actress. In 1999, Toni's fame reached worldwide status, as she snagged an Oscar nomination for her portrayal of the mother of the boy who "Sees dead people" in *The Sixth Sense*. The

PETA supporter continued to work steadily through the turn of the century in hit flicks including: *Shaft* (2000), *Changing Lanes* (2001), and *In Her Shoes* (2005). In 2006, Toni again, found herself playing a lead role as a mom in the mega-hit, *Little Miss Sunshine* as the film went on to amass over one hundred million dollars at the box office.

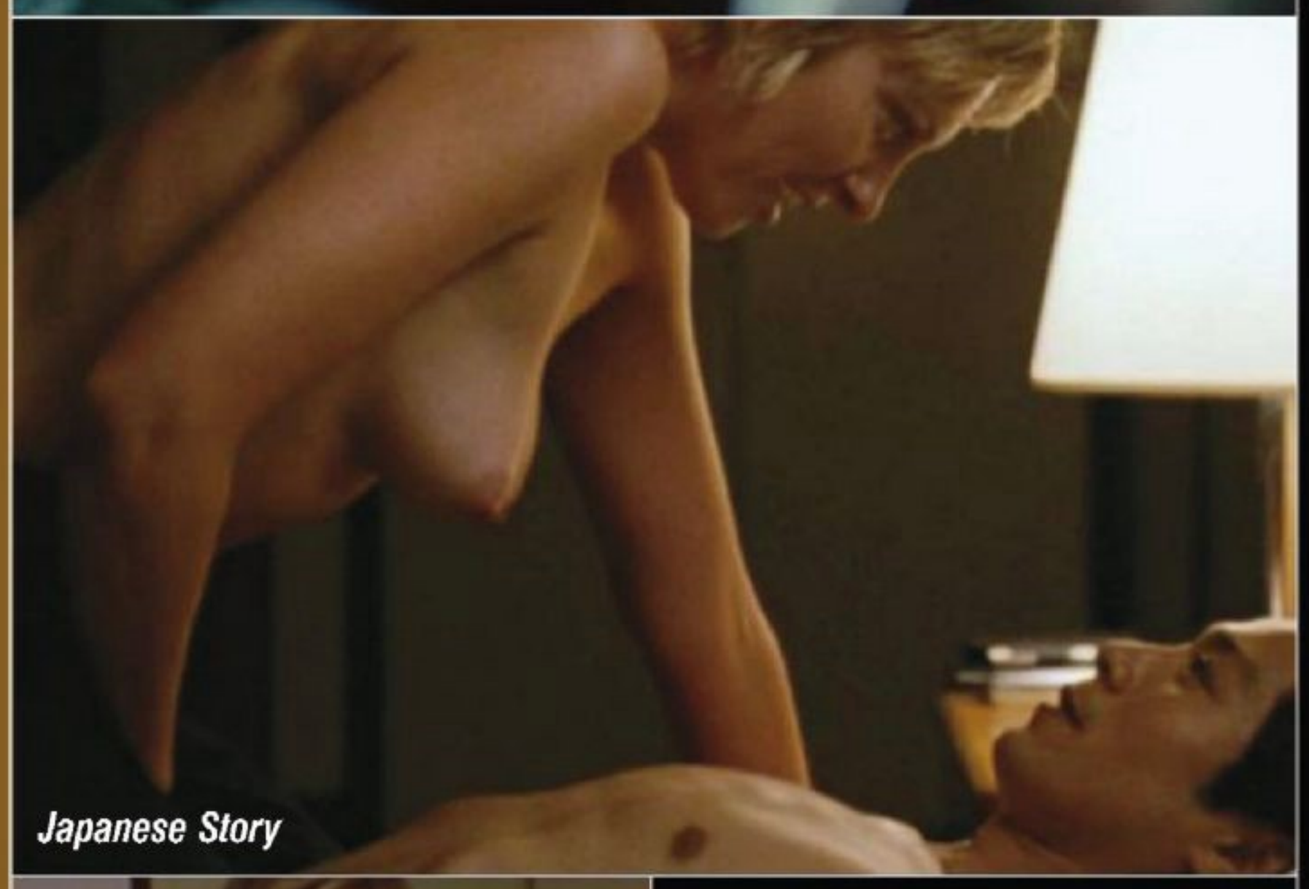
The Dead Girl



Japanese Story

Most recently, Collette was seen starring in the Showtime Network original series, "The United States of Tara," portraying a suburbanite mother of two with multiple personalities.

Toni Collette's reputation as a serious actress has been built on her complete commitment to each role she plays, and evidence of this commitment has been noticed in her choice to gain sizable amounts of weight for a number of movie roles, and performing in nude scenes without hesitation or inhibition.

On a dirtier note, This Aussie MILF's first exposure on the big screen came in the form of a sweet, long look at her full, firm sacks and retro bush in *Lilian's Story* (1996). That was followed by her hot, naked orgy scene in *Velvet Goldmine* (1998), and a shaved pussy, full frontal assault in the off the wall erotic production *8 ½ Women* (1999).

Toni next gave us an extended, stroke-worthy look at her ass and cans in *Japanese Story* (2003), then bared her tits and bush once more in *The Dead Girl* (2006).

Take care, and keep on strokin' to the movies!

RON & MARY'S X-RATED PORN THEATER

After starring in well over 1200 movies between them, who better than Ron and Mary to review the latest and hottest porn flicks to come down the pike? The answer is simple: No one! So, take it from these two sexperts on what's hot and what's not when it comes to newest XXX vids!

Defrancesca could just as well of been pulled off the cover of *Vogue* and thrust into the hot light of a porn set. She's that fucking hot! And this scene burns from the opening shots of her tickling her clit, to when the money shot is putting a pearly shine to her gorgeous face.

The highly sexy Alexa is featured in the final act, where she experiences a screw for the ages that leaves her pussy dripping and her breath heavy.

This teen sex flick is required viewing by any and all who whack to the young sect. *–Miles McAllister*

Digital Playground throws their hat in the ring of shooting the young ones getting their legal limit holes invaded with monster cock by unveiling their new *All Star Teen* series.

Be warned– every girl in this flick is smokin' hot and each fucks and blows with the intensity and talents of the most accomplished girls in XXX. So when you sit down with this disc and push play, be prepared to be jerking off and popping loads for the full two hours and change.

Madison Parker, Csoky & Nick Lang

Defrancesca Gallardo & David Perry

Madison Parker goes to prison and finds herself getting fingercuffed by two guys, and this simultaneous pussy/mouth bang takes dirty to a whole new level.

The threeway goes the other way in scene three as Rihanna and Sylvia pounce on the cock they are asked to share, and watching these chicks dine on one another's boxes while getting dicked is some of the most strokable viewing on the DVD.

Ansie heads to the gym and winds up working up a sweat on a bozak rather than the treadmill. And though Ansie is doing much of the work, it's her man whose inches melt away as his spent dick oozes cum onto his blonde lover's tongue.

Those who toss loads to scenes starring hot, young sluts who sport humongous, natural racks have a friend in Jules Jordan. The cock divas in this over four-hour bone-burying flick put on some volcanic ball-draining performances, while nary a single bra-busting bosom has felt the cold steel of a surgeon's scalpel.

The bulk of the action features variations of ménage a trios. The first places Tammy and her luscious mams against two rock-hard gents who exploit her DD boppers with lots of tit-illating tit fucking and deep, penetrating straight banging.

Veronica Sanchez oils up her cans, then wraps the shiny, greased melons around one boner while the second pole is pumped into her snatch doggie style. She fondles her boobs while the camera closes in to catch two large batches of cum being blasted into her mouth, Veronica quickly makes the splooge disappear with one swift gulp.

Euro sluts, Nikki and Nesty rub each other down with oil before being asked to share a single cock. The meat is invited between each set of cans. The boys then fill her mouth and slit with sausage, and when the fun is done, Nikki takes the cum bath on her jugs and Nesty wipes the chest flesh clean with her tongue.

The theme switches to one-on-one fucking in the next scene as Emanuelle lubes up her tits in lotion and takes a fat, uncut yang into her cleavage.

Tit-heavy teen, Cassandra performs some very un-natural acts on her co-star's standing wood. Cassandra's tits get plenty of attention while her pussy is being occupied with some balls-deep lovin'.

Chiquita's boob-bouncing nutcracker rounds out this natural whoppers salute at a lucky seven scenes, making sure that *Natural Headlights* pays huge dividends to tit mongers who wanna keep it "real."– *Johnson P. Puller*

Abby Rode & Joey Brass

Big tit porn purveyors, Brazzers have outdone themselves with this latest chapter in their mondo-mammed MILF series.

Holly Halston is a mature, blonde goddess who finds herself in bed with a man with a stiff cock and sights set on slamming his dong between her huge fun bags.

The milky jugs are pressed tight against his dick, then the pole is fed into her pussy and pooper, before the load is dropped on her hanging knockers.

Devon Lee is tired of her 20-something-year-old paperboy throwing her morning news in the bushes, and she decides to make him a friend with some slow, wet cocksucking and a nasty fuck session. Devon rides the dude in the superior position and bounces her golden globes off his face.

Devon Lee & Danny Mountain

Naked and locked out of her house, Karrlie Dawn asks a neighbor to help her out. The man happily comes to her aid, then rewards himself with a healthy slice of pussy pie. Karrlie's silicone sweater meats take the brunt of the guy's cock assault and the melons offer a nice landing pad for his busted nut.

Sophia fucks her asshole husband's best friend, and frequent tight close-ups

Holly Halston & Johnny Sins

of her luscious boobs turn the heat level of this flick way into the red zone.

Gorgeous Abby and her F-cups round out the buxom hottie parade, and, after a sweltering session of boot-knocking, Abby proves herself to be the ultimate professional by keeping a look of lust on her face even when the money shot inadvertently blasts up her nose.– *Richie Boningham*

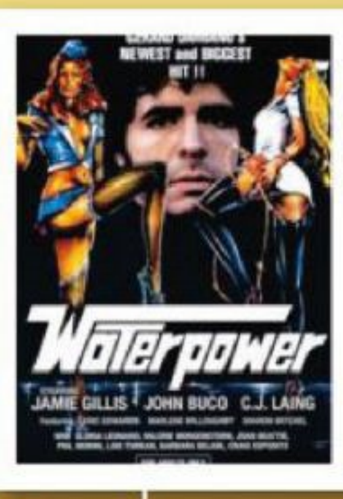
THOS

I can think of no better way to begin my very sad discussion of the passing of Golden Era of X actor, Jamie Gillis, on February 19, 2010 than to say that..."If you pasted pubic hair around a light socket, Jamie Gillis would have stuck his dick into it..."



Jamie Gillis' career begins with Dolls And Dragons — 1971

Opening of Misty Beethoven — 1975

Water Power — 1976

Lust at First Bite — 1978

High School Memories — 1980

Jamie Gillis: "The Darkest Knight"

The mesmerizing master of masturbation movies was my idol. Indeed, watching Jamie Gillis play with his cock was like watching Leonard Bernstein conduct an orchestra in Carnegie Hall.

To be shockingly blunt about it, if I weren't so sexually square (and straight), and really had any idea of what I was doing with my own dick, I would have loved to have had the opportunity to roll around with Jamie. And maybe—when I catch up with him in whatever the afterlife has to offer—be it Heaven, Hell, or the back row of the balcony in a sleazy theater—I will.

However, for now, all I have to solace me are a series of remarkably vivid memories dating all the way back to 1974.

(But first, I must acknowledge *www.AlternativeCinema.com* and *www.demi-comix.com* for some unique images that are appearing here so that this column can do some semblance of honor and justice to his memory.)

Advised by Sam Menning—the photographer whose studio took up considerable space on the floor beneath me at 6912 Hollywood Blvd. where I was managing "Reb" Sunset International—a nude theatrical talent agency that served the adult entertainment industry—of Jamie's impending arrival from New York, I was quite anxious to meet the fellow, whose fame as an early X-rated performer preceded him. Yet, when the remarkably handsome gentleman entered my office, radiating a comforting charm, I could think of absolutely nothing else to say but; "So you are the Legend of the East? Well, I am the Legend of the West." Talk about putting my foolish foot into my pompous mouth. Jamie simply smiled. However, from then on, whenever we met—or we dealt with each other over the phone—he always would greet me with something related to that "Legend" sentiment.

Jamie was driving a taxicab in New York in 1971 when he met Sam, who already had a reputation as an explicit adult material shooter, and eventually he wound up performing in countless hardcore-still situations for him.

When Sam began working downstairs from my office in 1973, I performed in many of his shoots, during which, between knocking down countless cans of Budweiser beer and chain-smoking Lucky Strikes, he never failed to bring Jamie's name up. Indeed, while I was pretty good at what I did in the "Get it up, get it in, get it out and get it off" department, I always felt that Sam was dangling Jamie in front of me as the fellow who could do it (and "Get it") all better.

Therefore, although Jamie was only six months older than me—(he was born on April 20, 1943, and I tumbled out of a vagina on October 2, 1943)—I truly felt like a nervous kid in Jamie's smolderingly serene presence.

However, in the quirks of scheduling fate, a seminal showdown between Jamie and I never took place. Although, as evident from the magazine cover shot in this article, Jamie and I did work together for Sam in an S&M softcore photoset with a lady named Cynda. The lovely brunette seemed to be enjoying herself as she treated Jamie not so nicely, to say the least. Essentially, Jamie choreographed the shoot. That made it easier for Sam to fire off his shots and I simply went along for the ride. However, as Cynda was more dominant towards us, I couldn't help but notice that Jamie's cock was getting hard, while mine maintained a sleeping snail position throughout the afternoona. When it was over, Cynda asked Jamie to stay as I limped my way back upstairs to my office. Within a few minutes, Sam—armed with a six-pack of beer and a couple of packs of cigarettes—joined me. "That Jamie," He belched, "He certainly has a way with the women." And for the next couple of hours, Sam regaled me with as many of Jamie's "Ways" as he could. And I—squirming about gingerly as I

tried to take the pressure off of freshly paddled asscheeks and make myself as comfortable as possible—must admit that I was fascinated. Perhaps even a little bit jealous. It was obvious that Sam loved Jamie like a son.

I would come to love Jamie like a brother.

It was quite fitting, since I wound up sending my spiritual sister, Serena, (to whom I devoted a recent "Lays" installment called "Simply Serena") to Jamie in New York a few years later. And until I ran into them on the Castle Ranch in the Lancaster location for *Lust At First Bite* (which I co-scripted with Mitch Morrill) in September 1978, the stories of their sizzling/soulful relationship warmed me repeatedly.

The all-star cast of *Lust At First Bite* (also known as *Dracula Sucks*) included John Leslie, Paul Thomas, John C. Holmes, Annette Haven, Kay Parker, and a gorgeous newcomer named Seka—plus Pat Manning and Mike Ranger, and an assortment of eccentric supporting players including: Irene Best, Nancy Hoffman, and a couple of brooding ladies that Gillis (who was starring as Dracula) had brought with him from New York to play his lusty handmaidens. Without a doubt, however, it was Jamie and Serena who attracted the most attention as their constant handholding; hugging and obvious mutual admiration brought a supreme serenity to the entire production. Of course, I couldn't help to fawn over both of them to the extent that one evening, Jamie asked if I would like to join him and Serena in their motel room. While visions of decadence and debauchery danced in my overheated mind, my way-too-straight-for-my-own-good sexual conscience caused me to politely decline the invitation.

To the best of my knowledge, The Original Pantry on 9th and Figueroa in downtown Los Angeles has never served any form of alcoholic beverage. Although, when I took Jamie and Serena there in early 1980, Master Gillis, who was quite the gourmand, would not partake of his steak if he couldn't wash it down with some red wine. I whined piteously until the waiter, who knew me well, and had in fact, posed for a picture with a naked girl in front of the establishment years before, said it would be all right—if we kept the bottle in its bag. So, Serena rushed off to the nearest liquor store and returned with something that tasted like battery acid. But, it satisfied Jamie's palate nonetheless.

Later that year, very proud of my performance in an adult film called *Weekend Fantasy*, I took Jamie and Serena to a screening of it at The X Theater in Hollywood. What I didn't tell Jamie was that I had patterned my "Kinkier than a crate full of Siamese cat tails" performance as a glowering homage to him. We sat way in the back, and no one in the audience knew that we were there. I watched Jamie become more and more attentive as the story (which I wrote and directed) about a fellow who kidnaps a real world sex symbol and brings her home to his cabin full of misanthropes unfolded. Early on, the sex symbol (played by a newcomer named Kathy Konners, in what would be her only screen appearance) is seen on our tv jogging on a path through the Hollywood Hills. Meanwhile, during a poker game, I am being orally serviced under the table by Tawny Pearl. However, instead of unloading on Tawny's face, I start snarling, push away from the table, strut over to the tv set, and proceed to jack off all over Kathy Konners's jogging image. When I finally do capture her (while she is jogging), I emulate the ejaculation action all over again, spewing a litany of venom in the process. That action caused quite a number of people in the audience to clap—and even cheer. I have rarely felt prouder in my life than when Jamie leaned over and whispered, "I'm jealous."

Now we come to what I call "The 40 Inches of Meat"—certainly the nearest in proximity that I ever to came to actually being a sex scene with Jamie. It was December 1982, during the making of Carlos Tobalina's little more than an

excuse for a couple of orgy scenes *Marathon*—which eventually wound up pulsating under the ad line: "They Gave A Party And Everybody Came!" When my then wife, Drea, (first mentioned in an earlier "Lays" column called "Bare Bears"), looked around the room and brazenly decided that she wanted to have sex with Jamie Gillis (logging in at around 8''), Ron Jeremy (at least 10''), John C. Holmes (well over 12'') and finish her fornicating frenzy off with me (a proclaimed 10+" by many who have had to deal with it), I figured that it might be a molten masturbatory moment for the masses, so I set the cocks and balls in motion. After all, Carlos was rolling something like six cameras at the time, so when I directed one to focus on Drea's eager aperture, Jamie found some time to do her first, followed by Jeremy, and then Holmes did his thing. By the time that Drea crawled over to me (for this part of *Marathon* I was wearing a bear suit, don't ask), she was pretty well ready to call it quits, but I found the thought of providing the frosting for what I realized was quite a prestigious carnal cake—truly historical—so I banged into her until she literally was begging for me to explode all over her glistening behind. So I did, emptying quite a prodigious load, considering that I had already popped twice before that afternoon.

The phone ringing shattered my tv watching concentration on a miserably cold Sunday evening in February 1986. It was a lady telling me that I had to go pick Harry Reems out of the gutter next to The Liquor Locker on Sunset near Laurel Canyon. Of course, I did (which will be the basis of a future "Lays" chapter). A few months later, Jamie called to thank me. I asked him how he knew I would, and he purred, "Because you are the Legend of the West."

In 1987, Jamie stopped by to visit the apartment that I shared with Viper at 8231 DeLongpre Ave. in West Hollywood. I had told Viper all about Jamie, and I was hoping that Jamie might want to have some fun with my great love. But, before he had a chance to even consider the possibilities, our roommate, Brandy Alexandre, rushed over and dragged Jamie into her bedroom. Viper looked over at me and shrugged. I motioned for her to go and join them, but she shook her lovely head and said, "Oh no, I couldn't."

The calendar pages of Jamie's and my lives fell away like leaves in a hurricane, in January of 1999. Jamie had been lured to Las Vegas to induct Gloria Leonard into *The Legends of Erotica*. It was a magnificent moment, and Jamie eloquently made the glorious Gloria cry, proclaiming her as one of X's Queens. And while she was planting her hands into the cement, Jamie eased over to me and said, "This is really cool." To which I said to him—with a Cheshire grin on my face—"I'm glad that you think so, because I am going to induct you next." I said wonderful things about Jamie that evening, of course acknowledging him as the star of *The Opening of Misty Beethoven* (considered by almost all critic to be best adult film of all-time) and recounting many tales, including sharing wine with him at The Pantry, and Drea with him in *The 40 Inches of Meat*, and how he was my idol, and how I would like to be him when I grew up (knowing full well that I never would—either grow up—or be him). And I was quite moved when a few tears coursed down Jamie's cheeks when I hugged him.

The last time I heard from Jamie was in the summer of 2008. He had become aware of what a former love of his—the luminous Amber Lynn—and I were attempting to do as a fundraising production for legendary, Henri Pachard (terminally stricken with cancer), with what would become known as "We Are The World XXX." However, Amber was being maliciously attacked by quite a number of jealous, small-minded swine, and the project was in serious trouble of being completed. "How is my baby?" Was Jamie's opening comment, and I could feel his tremendous concern for Amber through the phone line. And as the tears welled up in my eyes, I assured him that I wouldn't let anything happen to her, and that I would see to it that anyone who hurt Amber would feel my wrath. He thanked me and I sensed that he felt much better.

Sadly, then the phone call came on Friday evening February 19, 2010, and I was told that Jamie was gone. It ignited a torrent of tears that continue to flow as I am trying to see through them long enough to complete this column.

My usual attempt of cutely working "Those Were The Lays" into my final paragraph isn't how I feel this installment should end.

Much more fitting is what Golden Age of X director, Carter Stevens, offered. "I've oft been quoted as saying there are five kinds of people in porn: Heterosexuals, homosexuals, bi-sexuals, tri-sexuals, and then there is Jamie Gillis."
